## Volunteers

Apart from the executive committee, ULPHAT is always graced by impassioned medical and non-medical volunteers. These volunteers contribute in various course of actions; which include assisting patients, channelizing treatment, coordinating information and also collecting funds.

## HIGHLIGHTS FOR 2016

The journey of ULPHAT and Pakistan Navy partnership free medical camps continued in 2016 as well. We were successfully able to conduct 11 free medical camps in Baba Island, Damb Lasbella, Gandani and Abdul Rehman Goth in which 8718 patients were treated. Our team included specialties like pediatrics, OBGYN, Medicine, Surgery, Dermatology and Ophthalmology.

The camp at Abdul Rehman Goth was notable because it was a joint venture by four organizations. Humanity Initiative and ULPHAT arranged medicines and medical personnel for the medical camp while Divers Reef Karachi provided the logistical support and assured support from the community representatives of this fishing village. Haji Rang Elahi hospital joined hands as well to serve patients with eye diseases and problems at the camp. Health education was also provided by Humanity Initiative volunteers to help promote healthy habits in the community.

Like every year, ULPHAT went to Al Mohsin Orphanage and opened the fast with the children and distributed Eid suits and shoes. We tried to play our part in bringing a smile on their faces and spreading joy around the time of Eid for these kids who are deprived of living in a family.

ULPHAT also provided individual treatment to 87 children for various issues. Most of these children come from humble backgrounds where the father is a vegetable cart owner, fisherman or daily wage earner which makes it really difficult for them to get their child treated even for complicated issues like Tetralogy of Fallot. One such case was that of Ammar Altaf, an 11 years old boy from Jangpur - Rahim Yar Khan. He had been suffering from Tetralogy of Fallot (TOF) for the past 11 years but the family was unable to afford his treatment. He got treated through Ulphat and is on his road to recovery.
